Rob Davis

Age
30-70

Highest Level of Education
Masters/PhD

Social Networks

Industry
Data Science Education

Organization Size
Professor

Preferred Method of Communication

Email

Goals or Objectives

Increase interactive nature of classes and allow students to experience hands-on education.

Job Responsibilities

Professor of Data Science/Statistics

Biggest Challenges

Don't have time to come up with new/innovative ideas for lectures. Haven't worked in industry for a long time and don't know what the best resources are.

Reports to

University admin/department chair
